

Prof. Mauro Coltorti  
*Short Curriculum Vitae*

From **2011**, Head, Department of Physical, Earth and Environmental Science  
**2003-2011**, President, SubCommission European Quaternary Stratigraphy, INQUA  
Since **2011**, Geoarchaeology, Gamo Gofa, Ethiopia, with S.Petersbourg University (FL, USA).  
**2006-2012**, Head, geomorphological maps 10.000, Marche Region.  
Since **2002**, Head, Geomorphology and Quaternary Geology of 6 Sheet 1:50.000, Sardinia Region  
**2002-2006**, Head, - Geomorphology and Quaternary Geology of Sheet 1:10.000 scale map, Marche Region (Osimo).  
**2001-2003**, Head of the geomorphological map project of the Siena Province  
**2000**, Full Professor, Geomorphology and Environmental Geology, Siena University.  
**1999-2002**, Director, Geomorphology and Quaternary Geology of 6 Geological Sheet 50.000, Sardinia Region  
**1998 to 2002**, Head, Geomorphology and Quaternary of 4 Sheet 1:50.000, Abruzzi Region  
**1999-2003**, Head, Geomorphology and Quaternary of Geological Sheet 1:10.000, Marche Region  
**1995 -1999**, Director for the Geomorphology and Quaternary of 4 Sheet 1:50.000, Abruzzo Region  
**1992 and 1994**, Visiting Professor in Geomorphology and Terrain Analysis, Addis Ababa University, Ethiopia. Italian Ministry of Foreign Affairs.  
**1992**, Associate Professor, Geomorphology and Environmental geology, Geological Department, Siena  
**1988-2010**, Head, Projects of Ministry for Scientific Research: Neotectonics Central-Northern Apennines; Geomorphology, neotectonics and stratigraphy Ecuador and Bolivia; Neotectonics, climatic changes and sedimentation in the Main Ethiopia Rift and southern AFAR, Ethiopia  
**1986**, Head, Geoarchaeology expedition in Somalia, Ministry of Scientific Research  
**1985 and 1986**, Professor in Photogeology, Luanda University, Angola, Italian Ministry of Foreign Affairs.  
**1983 - 1992**, Researcher, Geological Institute of Camerino University, Italy  
**1980**, Head, Geoarchaeology in Somalia, Italian Ministry of Foreign Affairs.  
**1978**, Università di Ferrara, Geology BA+MS
